PROJECTS

Airbnb Clone (trip-base-camp)
Developed a fully functional Airbnb clone with enhanced UI/UX features using modern web technologies. Integrated responsive design and interactive components for seamless user experience.

- **Tech Stack: HTML, CSS, JavaScript, React.js, Vercel**

- **Tools Used: 21st.dev (design inspiration), Lovable (UI feedback), ChatGPT & Cursor AI (development assistance), GitHub Pages (version control and alternate deployment)**

- **Implemented core features like listing pages, search filters, and booking layout**

- **Deployed live on Vercel for fast and reliable access**

Fitness & Workouts Website – (saidineshreddy8978/fitness)(Fitness Hub)

 Developed a responsive fitness website offering workout plans and health tips to promote a healthy lifestyle.

- Tech Stack: HTML, CSS, JavaScript

- Designed a clean, mobile-friendly UI for smooth user experience

- Implemented interactive sections for better engagement

- Hosted on GitHub Pages for public access and version management

CERTIFICATES

Codexintern ([Gangala Sai Dinesh Reddy .pdf - Google Drive](#))
Developed and maintained responsive web pages using HTML, CSS, and JavaScript. Worked with React.js / Vue.js / Angular (if applicable) to build dynamic UI components. Collaborated with designers and backend developers to enhance user experience. Optimized website performance and ensured cross-browser compatibility. Utilized Git/GitHub for version control and code collaboration. Assisted in debugging and fixing UI/UX issues to improve site functionality

Python Certificate([Coursera | Online Courses & Credentials From Top Educators. Join for Free | Coursera](#))
Gained foundational knowledge of Python programming. Learned key concepts like data structures, loops, and functions. Worked on basic projects to apply coding skills

SEO Optimization Certificate([Coursera | Online Courses & Credentials From Top Educators. Join for Free | Coursera](#))
Earned a certification in SEO fundamentals with a focus on optimizing websites built on Squarespace.
- Gained practical knowledge of on-page SEO, keyword research, meta tags, and site structure
- Learned to improve search engine visibility and website performance using built-in Squarespace tools
- Applied best practices for content strategy, image optimization, and mobile SEO
